

MINUTES OF THE BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Sachi A. Hamai, Executive Officer-
Clerk of the Board of Supervisors
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

At its meeting held April 15, 2008, the Board took the following action:

4

Supervisor Antonovich made the following statement:

“San Martinez Road is a collector street that is the sole access to Val Verde County Park and several hundred residents. The area is experiencing a high frequency of speeding motorists, due to the fact that San Martinez is a long, straight road without adequate controls to slow down drivers. Residents of the area report both traffic accidents and many near-misses, some involving children or families visiting the park. The installation of traffic signs and speed cushions would protect both residents and visitors to Val Verde County Park.”

Therefore, on motion of Supervisor Antonovich, seconded by Supervisor Yaroslavsky, unanimously carried (Supervisor Knabe being absent), the Acting Director of Public Works was directed to:

1. Install the following speed cushions and stop signs in order to protect residents and visitors to Val Verde Park:
 - Speed cushions at three locations: approximately 300 ft east of Vadito Place; 31007 San Martinez Rd., near the culvert on the north side of the road, underneath the existing street light; and near 30526 San Martinez Rd., underneath the existing street light;
 - Four-way stop sign at three locations: the intersection of San Martinez Rd., and Paradise Rd; the intersection of San Martinez Rd. and Kensington Rd; and the intersection of San Martinez Rd. and Parker Rd; and
2. Report back to the Board every 30 days until the speed cushions and stop signs are in place.
